SAN FRANCISCO SAVINGS UNION

This Association is the largest, oldest and most successful Mutual Insurance  
Association in California and the majority of its members are in and near San  
Francisco where it is best known. It now confines its Agencies to the Pacific  
Coast. The wisdom of this act is shown by the strenuous efforts made by the  
Eastern companies for California business, recognizing as they do, the necessity  
of equalizing the extra death rate elsewhere caused by climatic conditions. "An  
insurance company that reaches too far is liable to disasters common to the  
merchant who spreads his business over all Creation."

## CONSUMPTION,

which is Scrofulous Disease of the Lungs,  
is promptly and certainly arrested and cured by  
this God-given remedy, if taken before the last  
stages of the disease are reached. From this won-  
derful power over this terribly fatal disease, when  
first offering this now celebrated remedy to the  
public, Dr. Pierce thought seriously of calling it  
his "Consumption Cure," but abandoned  
that name as too limited for a medicine which,  
from its wonderful combination of tonic, or  
strengthening elements, or blood-cleansing, anti-  
bilious, pectoral, and nutritive properties, is  
unequaled, not only as a remedy for consumption  
of the lungs, but for all
